

Memorial Gene Percy Award of Recognition

For all who may not have known, Gene Percy was one of the founders of the A.L.S.E.L. Gene worked for the City Of Amarillo for a countless number of years in the water department. He also provided assistance to the League with scheduling, participation on the board and provided the A.L.S.E.L. web site for the League. Unfortunately Gene passed away 12-18-07 and will be greatly missed by family, friends and pool players alike. Although he is not the only player the League has lost over the years A.L.S.E.L. would like to honor Gene's many years of participation in this League that he helped build. Gene's biggest thrill outside of his family was pool. He spent time nearly every day playing the game he loved. Not playing just for the sport of the game, but for the friendships and comradeship that comes from the sport. You could always ask him anything regarding the league and he would be happy to assist or find someone who could answer the question. Whether he won or lost he was always respectful to players and friends around him. We could go on and on with a description of Gene, the friend and pool player, but I think you can understand what the league will be missing. Therefore, we are asking for a nomination from all captains for the Board to narrow down and select a person deserving of such an award from A.L.S.E.L.

Qualifications: This person **MUST** be a member of the league in some form or fashion (player, sponsor, board member, etc). Please nominate this person with the same contributes you have heard or know that Gene represented for all of his years with the league.

Sportsmanship **Love of the game**
Respect towards all **Willingness to help**

A person that represents the League, at all times, in a manner that deserves such an award.

Examples: This could be a player or board member who goes out of their way to assist you with your game or questions concerning the League. A person who regardless the outcome of the game, shakes your hand and respects the friendship that could form. Always has fun participating in the League.

This could be a sponsor who goes out of their way to ensure the tables and the building are kept up. The sponsor may go above and beyond to assist in holding events for the League and always willing to donate to our League. Players enjoy being in that type of environment to play the game.

Remember these are only a couple of examples of the type of person we are looking for to receive such an award. Just provide the name of the person which you are nominating from the League and a little description as to why that person deserves this award. Winner will be announced at the A.L.S.E.L banquet.
